

Privacy Policy

This privacy policy discloses the privacy practices for Quick Logistics Software.

Information Collection, Use, and Sharing

We are the sole owners of the information collected on this site. We will not sell or rent this information to anyone.

Unless you ask us not to, we will use your information to contact you regarding the software and products we offer that may be of interest to you.

Security

We take precautions to protect your information. When you submit sensitive information via the website, your information is protected both online and offline.

You can verify this by looking for a closed lock icon at the bottom of your web browser, or looking for "https" at the beginning of the address of the web page.

While we use encryption to protect sensitive information transmitted online, we also protect your information offline. Only employees who need the information to perform a specific job (for example, billing or customer service) are granted access to personally identifiable information. The computers/servers in which we store personally identifiable information are kept in a secure environment.

Updates

Our Privacy Policy may change from time to time and all updates will be posted on this page.

If you feel that we are not abiding by this privacy policy, you should contact us immediately via email at support@quicklogisticssoftware.com.
